

Successful Strengths Coaching

INSTRUCTOR-LED COURSE

Gain the foundational knowledge you need to become a strengths-based coach. The Successful Strengths Coaching course incorporates findings from Gallup's extensive, ongoing research into how people learn, grow and develop.

Those who register for the course receive the Strengths Coaching Starter Kit included in the price of the program. By combining the tools in the digital kit with the education in the course, you will be on your way to helping others harness their strengths to achieve success.

Who Should Attend

This program is geared toward people who lead coaching conversations, including independent professional coaches, corporate coaches, executive coaches and leaders.

What You Can Expect

During this program, you will learn how to integrate the principles of strengths-based development into your coaching and make improvements by:

- valuing the Clifton StrengthsFinder assessment as an effective instrument for measuring talent
- identifying and learning the 34 Clifton StrengthsFinder themes
- applying your greatest talents in your role as a coach and integrating your dominant strengths to become more effective
- conducting foundational strengths-based coaching conversations, including:
 - establishing the coaching relationship
 - helping your client understand his or her strengths profile
 - helping your client gain awareness and appreciation of his or her talents
 - helping your client begin to invest in developing his or her talents

Within a month after attending the program, you will have a one-on-one follow-up session with a Gallup strengths coach. Together, you will discuss how to apply and integrate the concepts you learned.
